

I would like to express my objections to expanding the service for LPFM stations. I listen to K-love radio and the new stations would force K-love off the air. K-love has blessed my life in so many ways. There aren't very many stations that offer uplifting music and it serves the community by providing good, positive and encouraging music. The new translators will affect the community in a negative way. I am very thankful we are Americans and live in a country that does not dictate what we can listen to on the radio. Please consider the effects of this decision and allow the current FM translators to remain.

Thank you very much.

Sincerely,

Lisa Gilbert
